

Our Parking Issue

As-salamo alikoum w/A w/b

As you know, we are **UNABLE** to park in the **Lexington Theological Seminary**. They have rented out their spaces completely. Those who would park without a permit in the Lexington Theological Seminary; **their cars may be towed away**.

We do not wish you to encounter a towing service. So, here are some suggestions so that we may overcome this difficulty:

1. **Ride together:** If we all ride together and bring fewer cars to our Masjid's parking lot, we may be able to park without problems.
2. **Take the bus:** If this would work for you. Get bus times on: www.lextran.com.
3. Ask somebody who does not attend the Juma'a (wife, coworker, Etc) to drop you, then pick you up after you are done.
4. If you know of a paid parking lot you could use in the U.K or the surrounding area: park there, then walk back to the Masjid.
5. If you don't know any paid parking close by, you may use the paid parking lot located only one block north on S. Limestone (see map).

Your suggestions and insights as we work to deal with this issue are most welcome
